## Description

---

Are you passionate about your work and want to pursue your dreams?

Join the ZiMAD team, and let's collaborate to create exceptional games together!

**ZiMAD** is a US mobile game publisher and developer that has been at the forefront of the gaming industry since 2009. We are a dynamic multinational team, speaking 15 languages and living in 63 cities across 17 countries. With an impressive portfolio of world-class free-to-play projects, including titles like Magic Jigsaw Puzzles, Puzzle Villa, Art of Puzzles, Dominoes, and many others, we constantly push boundaries and believe that games can be more than just entertainment.

We are seeking a talented **Graphic Designer** to advertise its mobile games.

### Responsibilities:

- Create mobile game advertising layouts (banners, video design, playlists, presentations) from scratch with an audience of over 10 million players (based on technical briefs)
- Work on collaborations with Disney, Marvel, Pixar, Nickelodeon, Sony, Cartoon Networks, National Geographic, and other well-known brands
- Customize existing layouts for different languages and resolutions
- Perform individual and team tasks (together with artists, designers, SFX specialists, and video designers)
- Participate in game development

### Requirements:

- 2+ years of graphic design experience and a portfolio available
- Excellent knowledge of major graphic editors (Photoshop and Illustrator are a must)

- Knowledge of basic composition, color theory, understanding of basic typography
- English skills (must be able to read documentation and understand training videos)

**Will be a plus:**

- Experience working with 3d packages (Blender, 3ds Max, Cinema 4D, etc.)
- Experience working with neural networks and AI-based tools
- Experience in color correction and photo retouching

**What we offer:**

- Opportunity to work for ZiMAD, a US company with a diverse portfolio of global free-to-play (F2P) projects with a multi-million monthly user base
- Involvement in the entire product development cycle
- Career growth prospects within an international company
- Remote work opportunities
- Flexible working schedule
- Bonuses based on the achievement of KPIs and financial results of projects
- Paid conferences, training (including language courses), and workshops
- Opportunity to choose voluntary health insurance (VHI) programs and receive compensation for their associated costs
- Opportunity to have sessions with psychologists to improve your mental health and well-being
- Participation in charity projects
