## Playkot

### Job Overview

---

**Location:** Belgrade, Serbia  
**Address:** Србија, Белград  
**Website:** <http://playkot.com/>

### Description

---

**SuperCity** is a universe with a long history of winning (we have been in the top list on Facebook for many years in a row). The project has successfully gone through several transformations: technological, process, content – and today generates 30% of the company’s total revenue.

We are proud of our achievements but believe we can surpass them! That is why we are seeking a **Producer** to join our team and lead the Expedition Value Stream to unprecedented success. You will have the chance to craft a vision, develop a strategic plan, and ensure its continuous growth.

#### What we’ll entrust you with

- Managing the Expeditions value stream.
- Developing the long-term vision of the value stream development within the overarching game strategy.
- Achieving the revenue targets and other key metrics.
- Identifying scaling points for the Expeditions.
- Forming the roadmap of the value stream.
- Quality control of game design solutions in Expeditions.
- People management (overseeing 2+ game designers).

#### What we expect from you

- Experience as a Direction Lead or Stream/Product Owner of 2 years and more. Experience in gamedev from 4-5 years.
- Proven track record of successful solutions, particularly those contributing to revenue growth.
- Good knowledge and understanding of the Expedition market and related genres.
- Eager to drive product growth and contribute to its evolution.

- Experience in growing team members successfully.
- Participation in hiring.
- Willingness to relocate to Serbia, Cyprus, Armenia, or another country upon agreement with the team.
- Fluent Russian.

### **What we offer**

- An opportunity to contribute significantly to a globally successful project within a stable international company.
- Relocation to Serbia, Cyprus, Armenia or another destination upon our mutual agreement.
- Relocation program and assistance with paperwork for residence in countries where our offices are located.
- Competitive salary, reviewed every 6 months based on market trends and your performance.
- Flexible work setup: whether you prefer coming to the office, working from home, or a hybrid of the two, the choice is yours.
- Comprehensive medical insurance, sports memberships, educational courses, subscriptions, psychological counseling, language learning schools, and co-working space rentals as part of our exclusive 'BenefitPass' program.
- Full pay during sick leaves and personal leaves, in addition to 20 working days of vacation annually.
