Описание

ZiMAD, a leading mobile game developer and publisher based in Florida, is on a mission to expand its successful mobile game portfolio to the web. By porting its popular mobile titles to online platforms, ZiMAD aims to attract new users, monetize them effectively, and, most importantly, guide them back to its mobile properties for a seamless cross-platform experience.

We are looking for a skilled **Product Manager** to drive the growth of ZiMAD's mobile games.

Key Responsibilities:

- Manage the product and project, monitor and track key product metrics
- Create and prioritize the product backlog
- Break down requirements and participate in task estimation
- Plan development cycles
- Oversee all stages of the development process
- Prepare and release builds on Google Play, App Store, Microsoft Store, Amazon, and other platforms
- Monitor product metrics and collaborate with analytics teams
- Implement transparent Agile workflows
- Facilitate team meetings
- Conduct performance reviews

Qualifications:

- Experience as a Product Manager / Producer / Lead (or Senior) Game Designer or in a similar role with hands-on involvement in a game product and its metrics

- Genuine interest in game development from a business perspective
- Experience with project management systems (Atlassian products are a plus)
- Experience working with Git
- Technical background
- Understanding of continuous integration

Will be a plus:

- Experience in testing and/or development
- Passion for mobile gaming—you've played a variety of games and have experience with in-app purchases or subscriptions

What we offer:

- Opportunity to work for ZiMAD, a US company with a diverse portfolio of global free-to-play (F2P) projects with a multi-million monthly user base
- Involvement in the entire product development cycle
- Career growth prospects within an international company
- Remote work opportunities
- Flexible working schedule
- Bonuses based on the achievement of KPIs and financial results of projects
- Paid conferences, training (including language courses), and workshops
- Opportunity to have sessions with psychologists to improve your mental health and well-being
- Participation in charity projects
